## Building Bridges

This **volunteer vacation** brings you to the town of Lawton on the edge of Havana. You will lend a hand at Muraleando, a community center that utilizes arts, sports, and dance projects to both inspire children and continue the regeneration of their community. Explore the colorful town of Trinidad, Cienfuegos, and Havana throughout your journey.

## Preserving Nature's Wonders

Swim in turquoise waters, trek through thick jungle, and explore the countryside of Cuba on this **nature & wildlife adventure**. Visit farmers in the tobacco fields in Vinales Valley, relax on the private island of Cayo Levisa, snorkel, and experience a side of Cuba many don't get to see.

## Family Island Exploration

Snorkel through the crystal blue waters of the Caribbean Sea, learn to make colorful Cuban ceramics with a local artist, zip-line over the lush Vinales Valleys, and experience Havana with a ride through the streets in your classic convertible with your family on this **cultural exploration** vacation.

## Celebration of Arts & Culture

Sway to the salsa beat on this voyage into the heart of Cuba's distinctive art and music scene. Meet musicians, artists, and dancers inspired by the rhythm that bounces off the cobble streets of Havana and flows across the whole island. Experience Havana, Cienfuegos, and Trinidad on this **cultural exploration**, recommended for those 15 years and older.
