SIGNATURE JOURNEY

THAILAND: ELEPHANTS & ISLANDS EXPEDITION

OUR PURPOSE

Spend three days at a beautiful elephant sanctuary in the tranquility of the jungle. This sanctuary promotes the highest of standards in elephant welfare, retiring, re-homing and rehabilitating elephants that have formerly worked in the logging and trekking industries. Lend a hand to the mahouts (elephant handlers) and other staff at the sanctuary as you learn exactly what it takes to care for an elephant. This includes gathering food and feeding the elephants, maintaining their enclosures, and other projects around the park.

The sanctuary is specifically set up to care for elderly and abused elephants, and mimics their native habitat, with the elephants roaming free over acres of rainforest and cool bathing pools. Whether it's taking the elephants out for their morning walk through the jungle or feeding them bananas picked off a nearby tree, you'll learn first-hand how elephant conservation and tourism intertwine in present day Thailand.

Away from the sanctuary, you'll explore Phuket's bustling street markets, experience village life on Koh Yao Noi Island, and visit serene Buddhist temples. Offshore, relax under swaying palms on the beautiful Phi Phi Islands, and explore the crystal blue waters of Phang Nga Bay.

HIGHLIGHTS

EXPLORE THAI CUISINE

Throughout our adventure, the food available will primarily be traditional Thai cuisine, loved the world over for its spicy punch and rich flavors. There are a great variety of Thai dishes from all regions of the country, and you will have the opportunity to try many of them. Step out of your comfort zone and embrace the opportunity to eat like the locals! You'll learn some of the secrets of Thai cuisine yourself with cooking classes at the elephant sanctuary.

EXPERIENCE AN ELEPHANT SANCTUARY

The centerpiece of this trip is three days spent lending a hand at a sanctuary for elderly and abused elephants, who have been rescued from unethical tourism practices, the logging industry, and illegal trade. The sanctuary mimics the elephants' natural habitat, and you'll walk the elephants through the jungle, give them mud baths, and prepare them meals of banana and sticky rice. You'll also learn some elephant commands and find out what it takes to be a mahout.

OLD PHUKET

Many visitors are so tempted by Phuket's admittedly beautiful beaches that they don't spend any time exploring the town itself, but they're missing out. The capital of Phuket province is home to ancient Buddhist temples, Chinese shrines, and unique East-meets-West architecture, a style known as 'Sino-Portuguese'. Be sure to visit the Phuket Thaihua Museum for an overview of the town's history, and the atmospheric Shrine of the Serene Light, a Taoist place of worship.

KOH PHI PHI ISLAND

Our trip ends up on one of Thailand's most famous island destinations, Koh Phi Phi. Actually two islands – Phi Phi Don and Phi Phi Leh – this is a paradise of white beaches, palm trees and azure ocean. Your days here are free – take a Thai cooking class, snorkel the surrounding coral reefs, or enjoy a speedboat tour around the islands' beautiful coastline.

ITINERARY

DAY 1: Arrive in Phuket and Meet Your Discover Corps Group

Fly into Phuket, in the south of Thailand, where you'll be met at the airport by a Discover Corps staff member. We'll spend the first few days in a charming hotel a few steps from the beach, where you'll meet the other travelers in your Discover Corps group before a welcome dinner. (D)

DAY 2: Visit Wat Chalong Temple & the Famous Golden Buddha

Today we'll head out and explore the Wat Chalong Temple, a beautiful Buddhist temple said to hold a splinter of Lord Buddha's bone. We'll continue the journey to Wat Khao Rang, which is renowned for its golden Buddha statue as well as its breathtaking views of the island and Chalong Bay. After a peaceful visit to this ancient site, enjoy a free afternoon exploring the town's bustling markets before enjoying dinner at a local restaurant. (B,L,D)

DAY 3: Explore Beautiful Phang Nga Bay

This morning we'll hop onto a speedboat to explore the calm turquoise waters of Phang Nga Bay, dotted with tropical offshore islands and rock formations. We'll spend the day at Koh Yao Noi, one of the area's largest islands, spending the day exploring rice fields and nearby fish markets before a relaxing evening at the hotel. (B,L)

DAY 4: Meet the Elephants and Staff at the Elephant Sanctuary

Today, we'll head to the elephant sanctuary for the next three days. Designed to mimic an elephant's natural habitat, this sprawling tract of land is home to a growing number of elephants rescued from the tourism and logging industries, or illegal trade. We'll learn some basic elephant commands, and lend a hand preparing the elephants' food and bathing them. (B,L,D)

"This trip and this experience ignited a passion in me to save them. I'd like to do more. The volunteering is helping out, but I want to be an elephant activist. It definitely sparked something in me to help them and save them." - Linda S.

DAY 5: Continue Our Work at the Sanctuary

Our morning starts with a mahout training program, teaching us what it takes to care for the elephants. Gather food for the elephants by cutting banana trees and grass, prepare sticky rice balls, and feed the elephants. We'll also help clean their enclosures and walk the elephants through the jungle before a cooking class at night. *(B,L,D)*

DAY 6: Treat the Elephants to a Spa Day

We'll spend our final day at the sanctuary pampering the elephants as they enjoy a well-deserved spa day, bathing them in mud and herbal treatments. We'll say our goodbyes to the elephants and staff, then spend a relaxing evening together at our coastal hotel. *(B,L,D)*

DAY 7: Board a Boat to Koh Phi Phi

This morning we'll catch a boat to Koh Phi Phi, a tropical paradise and one of the most celebrated island destinations in the world. How you spend the day is up to you – unlock the secrets of Thai cuisine at a cookery class, hike to a nearby mountain lookout, or just laze on the beach. *(B,L)*

DAY 8: Enjoy a Free Day on Koh Phi Phi

Today sees us enjoying a completely free, unguided day on Koh Phi Phi. Take a boat trip out to the coral reefs to go snorkeling, laze underneath a sun lounger, or zoom off on a speedboat to explore the island's beautiful bays and coastline. Tonight we'll enjoy a farewell dinner together at our oceanfront resort. *(B,D)*

DAY 9: Return Home

Your Thai adventure comes to an end today, as we enjoy breakfast before returning you to Phuket International Airport for your flight home. *(B)*

Premier Lodging

Our Thai trip starts in a boutique hotel walking distance to the beach in Phuket. We'll then stay in a stunning, 5-star resort overlooking the coast just outside the sanctuary before ending the trip with two nights on Koh Phi Phi in a four and a half-star oceanfront resort. All accommodations have double, single or family rooms, air conditioning and private bathrooms.

For dinner, experience a traditional Thai dinner located on the river. End the evening with a trip to the lively Warorot Market for shopping and Thai desserts. (D)

After a day of walking, relax your body with a traditional Thai massage. For dinner, get creative with a Thai cooking class! (B,D)

DAY 11: Visit Wat Phra That Doi Suthep and the White Hmong Hilltribe

Travel high into the hills by *songtaew*, or local truck, for a day away from the city. Visit the sacred pagoda, *Wat Phra That Doi Suthep*, for sweeping views of Chiang Mai from above. Continue higher along the dirt roads to the Chang Khien Coffee Research Project and enjoy a fresh cup of locally-grown Arabica coffee. By night, spend time exploring the White Hmong hilltribe village. (B)

DAY 12: Return Home

From here, continue to the famous Damnoen Saduak Floating Market and purchase your souvenirs as you float through the stalls on the water. Leave the hustle and bustle for a quiet paddle boat ride nearby before heading back to your hotel for airport transfer back home. (B)

Because we'll get there early, you will miss the crows and be able to start by exploring the upper platform where the temple's iconic face-towers are located. You will then continue to Ta Prohm, the temple made famous by Angelina Jolie in *Tomb Raider*, and gaze at the gorgeous trees and vines growing atop the temple wall.

The final stop of the day is the incredible Angkor Wat. As you journey through this sprawling temple, it is easy to see why it has become the symbol of Cambodia. A 12th century structure that took 30 years to build, the temple is full of carvings and beauty that you won't soon forget. (B,L)

We then head to a local pagoda where a monk will perform a private blessing ceremony before an opportunity to mingle with local communities to learn more about their everyday life. After lunch, visit APOPO, a locally-run organization that is working to remove landmines buried in the countryside.
