# WHAT TRAVELERS HAVE TO SAY ABOUT ASIA & THE PACIFIC...

"When I was a young girl I had seen a picture of Angkor Wat in an encyclopedia and said someday I would see it. **Well, at 79 years of age I finally saw it. It was wonderful.** Our guide was so knowledgeable about the history of the structure and the people. I really did enjoy seeing and climbing around the various structures. Absolutely a 'once in a lifetime' experience."

*-Gloria, Thailand Extension*

"The diversity in planned activities on the itinerary was perfect. From the bustling excitement of Tokyo, to the relaxing onsen in the countryside of Hakone, then the authentic tea plantation of Wazuka. **Every part was well thought out and gave a fulfilling experience.**"

*-Robert, Japan*

"I've traveled to at least 40 countries with and without travel agents. This time, **I wanted to work with [a provider] who was conscious about local cultures and history.** I found one!"

*-Grace, Bhutan*

# Spotlight on Thailand

We offer not one, not two, but **three** different trips in Thailand! Each has its own focus and spans different regions of the country, from the cooler, quieter north to the sun-soaked beaches of the southern islands.
