EGYPT: A JOURNEY DOWN THE NILE

OUR PURPOSE

Often described as the world's largest open-air museum, Egypt is in a category unto itself when it comes to history, culture and dramatic scenery. From the soaring Pyramids of Giza to the serpentine Nile River, this is a place of myths and legends.

Our journey will take us from the bustling streets of Cairo to the banks of the Nile, exploring the ancient cities of Aswan and Luxor via a luxury small boat cruise. Alongside our expert Discover Corps Guide and various Egyptologist specialists that will join the trip along the way, we'll be introduced to a country and society that is changing but rooted in thousands of years of history. Each night you'll be treated to some of Egypt's finest properties from the Fairmont Nile in Cairo to the Movenpick Elephantine Island in Aswan.

Our purpose on this journey is to experience Egypt as the pharaohs once did, uncovering temples, sailing the Nile and exploring the ancient cities of Cairo, Aswan and Luxor. We'll also take time to discover modern day Egypt. Experience a warm welcome into an Egyptian family's home in Cairo for a special dinner together. Visit a pioneering non-profit organization seeking to improve the lives of Cairo residents one at a time. Venture deep into a traditional Nubian Village on the banks of the Nile River to see a culture that has weathered modernization.

HIGHLIGHTS

PYRAMIDS OF GIZA

Dating back to 2550 B.C., the Pyramids of Giza are the only remaining standing monument of the Wonders of the Ancient World. Constructed as tombs for three of Egypt's pharaohs, the Pyramids of Giza continue to puzzle archaeologists and engineers alike. An estimated 10,000-20,000 workers spent over 20 years constructing the pyramids using extremely heavy stones from miles away. You'll have to pinch yourself as you stare in awe at these iconic landmarks set against the vast Egyptian desert landscape.

EXPERIENCE LOCAL LIFE

While most people travel to Egypt to uncover the ancient wonders left behind by the pharaohs, few get behind-the-scenes access to one of the most vibrant modern societies. Dive deep into a culture shaped by thousands of years of history at the meeting points of Africa and the Middle East. Share a traditional dinner at a family's home in Cairo, trading stories about life in your respective parts of the world. Visit one of our non-profit partners and visit a traditional Nubian Village in Southern Egypt.

SAILING THE NILE RIVER

Our Nile Cruise will encompass three nights on the high-end, 4-star Movenpick Royal Lily. Unlike most tours that use large 100+ room ships, this boutique 60-room ship is a modern oasis of tranquility. Slowly make our way along the Nile enjoying views of the desert you can only get from the bow of a boat. There is a pool to cool down in, magnificent meals reflecting local cuisine and some nights will feature entertainment on board. Our guide will join us throughout the cruise telling the stories of the temples and tombs scattered along the banks of the Nile.

TEMPLES, TOMBS & MUMMIES

Sitting in one of the driest deserts on Earth, the mind boggling array of temples and artifacts left behind thousands of years ago have been so well preserved that you can see the intricate designs, colors and patterns of art created many lifetimes ago.

Our expert Egyptologist guides will walk us through the iconic temples and tombs hugging the banks of the Nile. Learn to decipher hieroglyphics, see a mummy with your own eyes and walk through the hallways of temples that pharaohs once walked.

ITINERARY

DAY 1: Arrival in Cairo

Our Egyptian adventure begins in the ancient city of Cairo. Arrive into Cairo International Airport (CAI) and meet your Discover Corps guide for the journey ahead. We'll get a brief introduction to the area before settling into the historic Fairmont Nile hotel on the banks of the Nile River. We'll enjoy a delicious Welcome Dinner together with our guide and celebrate our arrival in one of the world's most interesting places. *(D)*

DAY 2: Visit Pyramids & Learn About Modern Egypt

Today's adventure begins with a morning visit to one of the Seven Wonders of the Ancient World, the Pyramids of Giza. An Egyptologist guide, who serves as an expert in the Pyramids, will join us and walk us through the history and mysteries of these ancient tombs. We'll also see the Sphinx and visit the Grand Egyptian Museum (GEM).

In the afternoon, experience a warm Egyptian welcome at a local family's house in Cairo. This is a unique opportunity to learn about life in Egypt today, try some of the country's best dishes and get a glimpse into day-to-day life in one of the world's oldest cities. *(B,L,D)*

DAY 3: Fly South & Visit a Traditional Village

After breakfast, we'll head to the airport for a short flight to the southern city of Aswan. A quiet town the banks of the Nile, Aswan is filled with antiquities and will be the starting point for our Nile cruise.

After settling into our 5-star lodging on Elephantine Island, we'll venture to one of the colorful Nubian Villages that dot the desert landscape. Nubia is the region along the Nile between Egypt and Sudan and is home to one of the oldest civilizations in Africa. To visit a Nubian Village is to take a step back in time. Experience the colorful buildings and learn about the culture, language, music and art. Later in the day, we'll return to Aswan for a relaxing dinner together. *(B,L,D)*

DAY 4: Set Sail on the Nile River & Explore the Temples of Aswan

Wake up to a colorful sunrise over the desert and breakfast overlooking the Nile River. Today, we'll board our home for the next 3 nights, the Movenpick Royal Lily. Unlike most ships making the 135-mile journey between Aswan and Luxor, ours is an intimate boutique cruise ship with just 60 rooms, a pool, a sundeck and plenty of space to meander.

To sail the calm waters of the Nile is an experience unlike any other. From the ship, you'll see life taking place on the banks of the river while stopping along the way to see temples, obelisks and tombs scattered along the shores. Our guide will join us for the journey serving as a personal concierge throughout the experience. We'll also be treated to a fantastic array of food, entertainment and sights along the journey. Get ready to set sail! *(B,L,D)*

DAY 5: Continue Along the Nile

Set sail to the historic Kom Ombo Temple. Standing tall at a bend in the Nile, this temple is unique in that it is dedicated to the crocodile god Sobek. We'll explore the temple and its intricate hieroglyphics before continuing on our journey to the ancient settlement of Edfu on the Western Bank of the Nile. Renowned for its impressive temple dedicated to Horus, the falcon god, we'll enjoy a narrated journey with our guide. Hop back on board the ship for afternoon tea and a colorful Egyptian folkloric show. Sail into the sunset and take in the natural beauty of this corner of Egypt. *(B,L,D)*

DAYS 6 & 7: Disembark at Luxor & Visit Museum

We'll continue on our final day of sailing on the Nile River. After breakfast, we'll venture out to explore the historic West Bank of Luxor. This is where the Egyptians buried their dead and remains to this day one of the largest collections of archaeological treasures in the world. From Tutankhamun to Ramses, the most powerful nobles and their families from Egyptian history are buried here. We'll join our Egyptologist guide to interpret the colorful hieroglyphics and hear the stories of grandeur and beauty that this site represents. *(B,L,D)*

Continue to the East Bank of Luxor to explore the Karnak and Luxor Temples. An extraordinary complex of sanctuaries, obelisks and temples, Karnak was an extremely important place of worship. The Temple of Amun-Ra dominates the complex and contains some of the most well preserved structures in Egypt.

The following day, we'll fly back to Cairo. We'll make a special visit to one of our local non-profit partners to see firsthand how they are working to help the youth in Cairo obtain education and opportunities. Settle back in to the Fairmont Nile hotel for the final stretch of our adventure. *(B,L,D)*

DAY 8: Explore Cairo & Farewell Dinner

We'll spend our final day exploring of Cairo's ancient markets, mosques and museums. Head to the Cairo's Citadel, a collection of Mosques, palaces and amazing views of the city. Built at the height of Islamic rule in the 1100's, take in the incredible intricacies of the Muhammad Ali Mosque while learning about this fascinating era of history in Egypt. We'll then head to the Khan el Khalili market to shop for souvenirs and explore one of the oldest markets in Africa and the Middle East.

This afternoon we'll join a hands-on workshop with Fair Trade Egypt, a social enterprise supporting over 43 groups of local artisans across the country. Create a small craft to take home as a memento & learn about the enterprise's social impact. In the evening, we'll have a delicious Farewell Dinner together in Cairo recounting our memories of the trip and savoring the delicious Egyptian cuisine. *(B,L,D)*

DAY 9: Depart for Home

Enjoy a relaxing morning at the hotel before heading to the airport for your flight back home. *(B)*
