AUSTRALIA: BEACHSIDE WILDLIFE ADVENTURE

OUR PURPOSE

Despite strict environmental regulations, the continued destruction of habitats, combined with climate change and the effect of invasive species, has wreaked havoc on Australia's extraordinary indigenous wildlife population. Provide hands-on assistance to rangers and staff at a local wildlife conservation park caring for such unique creatures as koalas and kangaroos. You'll also help with projects around the park, including tree planting and ensuring the animals' areas are kept clean and tidy.

We'll experience the unique array of wildlife that Australia is famous for both on land and on sea. We'll learn from rangers and conservation experts about the prominent issues facing these animals and the measures being taken to protect them. Spend time shadowing the rangers at the area's leading wildlife conservation park in a variety of educational & hands-on projects with the park's native species.

Along the way, bask in the natural beauty of Australia's Gold Coast. Visit a world surfing reserve, head deep into the rainforest on the hunt for waterfalls, take a guided coastal walking tour with an indigenous guide and spend an afternoon at a koala conservation center. Head to Cairns in the tropical North to experience the iconic Great Barrier Reef. Then head out to Daintree National Park to spot crocs and explore the rainforest by boat. An epic way to end this experience of a lifetime!

HIGHLIGHTS

THE GOLD COAST

Boasting over 30 miles of beaches and nearly 300 sunny days per year, and surrounded by the continent's oldest rainforests, the Gold Coast is a true paradise. It is also home to an array of Australian wildlife and leading organizations aiming to protect and conserve these animals. The area is also a center of Australian food and café culture, and is permeated with the 'no worries' attitude that dominates the Aussie way of life.

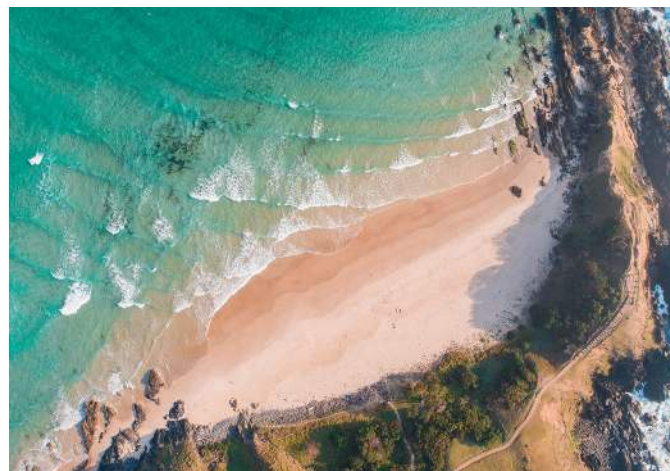

THE GREAT BARRIER REEF

The world's largest coral reef, the Great Barrier Reef, stretches over 1,400 miles along Australia's Northeastern Coast. A true once-in-a-lifetime experience, we'll embark on a full day journey by boat to a section of the reef off of Cairns. A Master Reef Guide will accompany us introducing us to tools used to monitor the reef. Spend the day snorkeling, swimming, and learning in one of the most remarkable places on the planet.

BEHIND-THE-SCENES WILDLIFE CONSERVATION

This trip is centered on the opportunity to spend time lending a hand at a wildlife conservation park, giving you the chance to get involved directly with efforts to protect Australia's unique array of wildlife. You'll be part of the day-to-day life in the park, shadowing the rangers and helping them gather food and prepare meals for some of the most iconic Australian fauna including koalas, wallabies and kangaroos; you'll also have the chance to learn more about the issues facing these animals and what is being done to protect them.

BEACH DAY AT BYRON BAY

Byron Bay is a coastal paradise perfect for a relaxing beach day, known for its stunning golden sands, crystal-clear waters, and laid-back, funky vibe. It's vibrant art scene makes it a favorite spot for visitors; the wildlife that call the bay home - whales, turtles, dolphins, rays - are also a treat! Swim, stroll to the famous lighthouse, enjoy the cute eateries and coffee shops or opt in to an adventure with surf lessons or sea kayaking. *(Note: Water activities are an additional cost and are weather dependent!)*

ITINERARY

DAY 1: Arrive at the Gold Coast and Meet Your Group

Arrive to the Gold Coast Airport on the eastern tropical coast of Queensland. You'll be met at the airport by your Discover Corps Guide, who will accompany you to our coastal hotel where we'll enjoy a delicious welcome dinner with the group. (D)

DAY 2: Visit Surfer's Paradise & Skywalk Through the Rainforest

Drive through the heart of the Gold Coast, stopping along the way for panoramic views from the Q1 Tower. In the afternoon, we'll journey into the rainforest and along a skywalk that meanders through the canopy. Afterwards, take a walk through the quaint galleries and wineries of Mt. Tamborine, stopping for lunch at a local coffee plantation. (B,L)

DAY 3: Meet the Residents at the Wildlife Conservation Center & Sugar Cane Farm

This morning we'll have an introduction to the local wildlife conservation park, where we'll spend the next few days assisting rangers and staff on a variety of wildlife-related activities learning about Australia's diverse wildlife along the way. Among the critters we'll help care for here are wallabies, koalas, and kangaroos.

In the afternoon, visit Coolangatta, home to one of Australia's World Surfing Reserves as well as some of the most beautiful beaches in the region. We'll make a stop at a sugar cane farm and distillery: learn more about the craft and have the option to taste some locally-made spirits. (B,L)

DAY 4: Wildlife Conservation & Beach Time

We'll start the morning continuing to assist the park's rangers in gathering food, feeding animals and other tasks around the park.

The rest of the day is yours to explore! Take some down time, enjoy a beach day or take part in some optional activities in the area. We'll reconvene in the evening for a special Australian-style BBQ dinner. (B,D)

DAY 5: Final Day at Wildlife Park

Spend a final morning with the animals at the conservation park and say farewell to the staff we've come to know here. Our final day at the park will be spent on a legacy project that includes seasonal planting and time with the animals.

In the afternoon, take an optional walk along the Burleigh Headland with our guide or on your own, exploring town, trying out local eateries or resting at our oceanfront hotel. (B,L)

DAY 6: Byron Bay Day Trip

This morning we'll drive an hour south to one of Australia's funkiest towns: Byron Bay. Take a walk to the most easterly point of Australia's mainland, spot marine life along the walk including dolphins, rays, turtles and, when the season is right, migrating whales. Relax on the beach, swim, or stroll through town. If the weather cooperates, you'll have the option to book a surf lesson or kayak alongside the friendly dolphins that call the bay home (*optional at own cost*) while taking in a unique view of the Cape Byron Lighthouse

Relax in the afternoon before our departure to Cairns the following day. (B,D)

DAY 7: Fly to Cairns in the Tropical North

Enjoy a final morning on the Gold Coast before our 2.5-hour flight to Cairns on Australia's tropical Northern Coast. The Gateway to the Great Barrier Reef, Cairns is the perfect place to base ourselves for the next three days. Unwind in the comfort of our 4-star hotel followed by an evening walk along the majestic esplanade. (B)

DAY 8: An Epic Day on the Great Barrier Reef

This morning, we'll embark on an epic, full-day journey to the Great Barrier Reef. Accompanied by a Master Reef Guide, we'll spend the day snorkeling, swimming and learning about this true wonder of the world. Our guide will introduce us to the tools being used to monitor the reef and you'll even have the opportunity to assist with these monitoring efforts while snorkeling. A bucket list experience for all! (B,L)

DAY 9: Venture to Daintree National Park

This morning, we'll make a visit to the oldest rainforest on the Earth, the Daintree National Park. Head out on a nature walk to learn about the park and spot native wildlife. After a relaxing lunch, we'll board a boat to take a river cruise while looking out for crocodiles. In the evening, return to Cairns for a Farewell Dinner together. (B,L,D)

DAY 10: Return Home

We'll say our goodbyes and transfer you to the Cairns Airport for your flight home. (B)

STANDARD LODGING

During our time on the Gold Coast, we'll be based at the 4-star Surfer's Horizon, a spacious set of beachside apartments surrounded by nature and right next to the beach.

We'll end the trip with three nights in Cairns. Our high-end oasis hotel puts us at the doorstep of the Great Barrier Reef, the bustling Cairns sea walk and the Daintree Rainforest.
